SCHOOL LIFE

Will you remember? Many years from now, when your high school days seem far behind you, will you remember all the things that are so much a part of your life right now?

So many of the places we go and the things we do that seem everyday routine will live in our memories tomorrow. The dances after those exciting games, decorating for what you thought was the best prom yet, the confusion in the halls as everyone rushed from his class at the sound of the bell, the gab sessions in the locker rooms, the laughing faces and familiar scenes

All of these experiences are a part of our school life that will live on to be our memories of tomorrow.

FOREWORD

We, the annual staff bring you our yearbook, the 1954 FOHIRAB. It is our hope that it will serve as a lasting reminder of our class both now and for years to come.

It is impossible to put all the memories of our school life into one book—but we have tried to bring to each of you a little special something that will help you to recall this as one of your best years at F.H.S.

We couldn't begin to thank the many people who have helped with the publication of this book but we would like to give a special thanks to our adviser, Miss Moore, who has, so patiently, given her time and help.

As we bid farewell to the many friends we have made during our years in school, we leave this book recording the highlights of our year together.

THE ANNUAL STAFF

DEDICATION

To Siek,

Before we leave FHS, the class of 1954 would like to do something to show our appreciation for all you have done for us. For the guidance you have given us, for the high standards you have upheld as a teacher, and for the friendly word you have for everyone, we dedicate our annual to you, Albert Siekeres.

**In Memory Of
SHARON LYNN VOGEL
November 23, 1936—February 2, 1950**

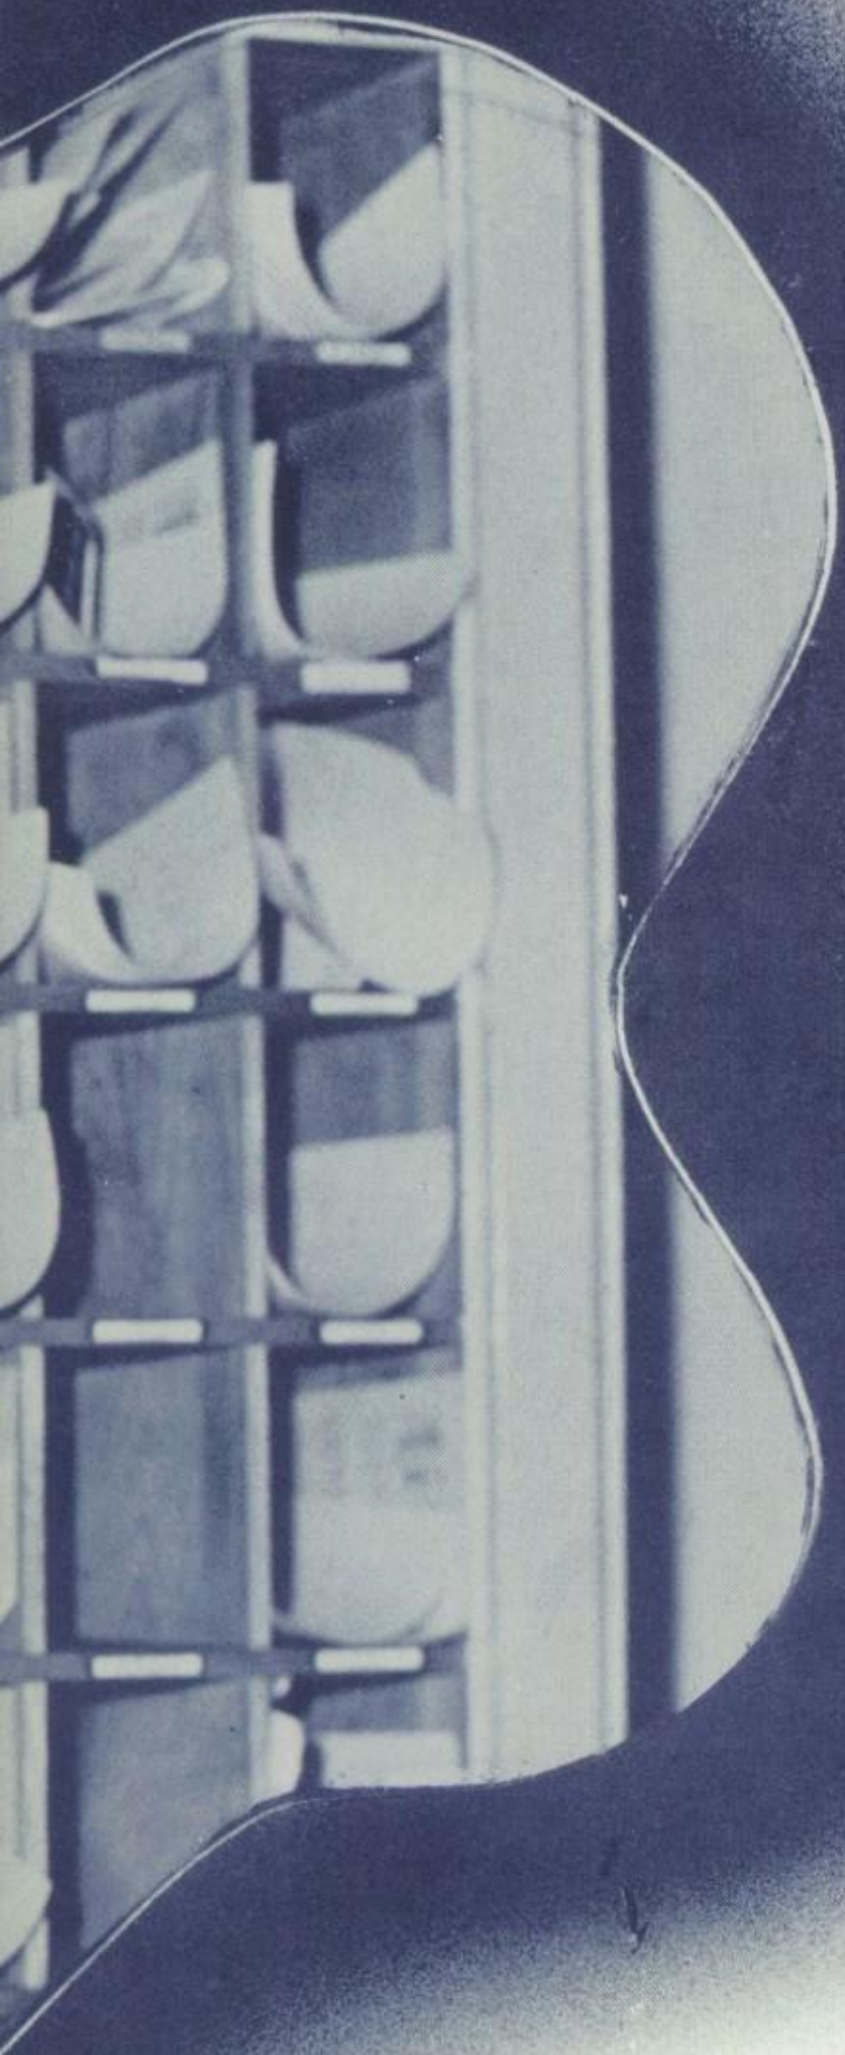

Everyone who knew you—
Your smile and carefree way,
As now our hearts remember,
We think of you today.
Though you've gone on before us,
You are present with us yet;
As now our hearts remember
We know we'll not forget.

In Memory Of
WILLIAM EUGENE KECKLER
October 28, 1936—June 26, 1952

As the door is closed behind us,
With the gates of life in view—
In the midst of all our memories,
We pause to think of you.
Once you walked among us,
With us in work and fun;
Now our thoughts are with you
As our life in school is done.

ADMINISTRATION

When the Class of 1954 first entered Fostoria High School as seventh graders we were perhaps a little frightened of the years ahead until graduation. But always we found that no matter what our troubles were, the faculty was there to help us. Each teacher has had an important part in our growing up.

We have been taught the fundamentals of education—the part you get from books—but even more important, the faculty has taught us to be better citizens of tomorrow; to get along better with our fellow man; to realize our mistakes and try to correct them; and to learn the meaning of justice and discipline.

Now for the first time, we realize that our teachers won't be there to patiently guide us after graduation, but we will always try to remember what each of them has taught us.

We say thank you to the faculty for being such an important part of our lives, in the hope that they will be proud of the way each of us uses their teachings to better ourselves in the years to come.

Congratulations to every member of the class of 1954. Your leadership, co-operation and friendliness have been outstanding and one to challenge future graduating classes.

It is always our hope that you have profited from your educational training and that experiences will serve as guideposts for you in the years ahead.

It is my sincere wish that all of you may achieve the measure of success you desire and that you will feel it your responsibility to take an active part in the growth of the community in which you live.

H. L. Ford

SUPERINTENDENT

To Donna Neikirk,

Your smile is a symbol of your friendliness toward the students of FHS. You have become known and liked by all the students and faculty.

Because you are always willing to lend a hand in any way, we thank you.

The Class of 1954.

TO MRS. CRAIN:

Many times we have come to you for help—never finding you too busy to lift your head from your work and, with a friendly smile ask, "What can I do for you?". Although your days are filled with attendance slips, excuses, telephone calls and many other problems that seem to wander through the door of the high-school office, you always have time to lend a hand to the students.

To you, we give a special thanks, for being a true person and friend.

Class of 1954

PRINCIPAL

TO THE SENIORS:

The leadership qualities demonstrated by the Seniors in the class of 1954 will be hard to replace in the immediate years to come. However, our loss is a real gain for the wider community—the college, the factory, the services of our government.

May I wish the class of 1954 continued success, and may each one of you find the job that will be both rewarding to you and to the society at large.

SENIOR DEAN OF GIRLS

MRS. ERNESTINE WIEDEMANN

As dean of senior high girls, Mrs. Wiedemann listens to many problems everyday, and yet there's always room in her heart for one more. She always has time to be a friend and teacher. Our lives have been made richer through our association with her.

SENIOR DEAN OF BOYS

MR. E. R. ZUBER

A teacher, a counselor, a friend—Mr. Zuber has been all of these in the time we have known him. He has helped us to learn the meaning of sincerity and discipline which will be with us all of our lives.

JUNIOR DEAN OF GIRLS

MISS VERA EGER

"Happiness comes by serving others." This has been the motto of her life and this is what she has taught us. It was her job to teach us to consider other people, to think for ourselves, and to start on the way toward making our lives worthwhile. We will always remember her for the part she has played in our "growing up".

JUNIOR DEAN OF BOYS

MR. THOMAS BENDER

As junior high boys' dean, it is his duty to guide the boys in such a way that they will grow in knowledge and in character. Because he has taught the meaning of honesty, justice, and sportsmanship, he has contributed greatly to the lives of our students.

SENIORS

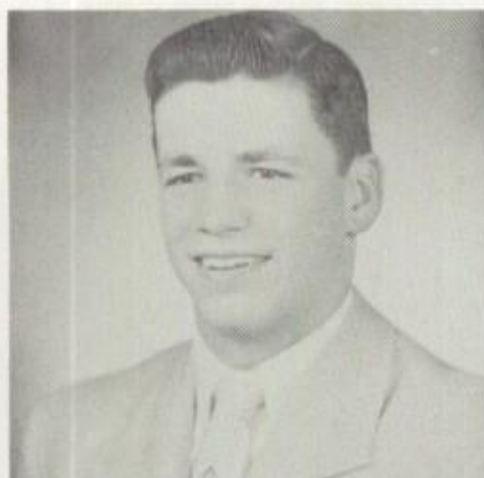

We've come a long way since we began that first day at FHS. This building and the people around us have become an important part of our lives together.

Our senior year will always hold memories that may be slightly faded in the years ahead, but there will be times when these memories will find their way back into our thoughts. The lockers with the pictures and college stickers on them, the tardy slips we had to get because we got to our homeroom seats just a second after the bell, the best presidential campaign ever, with balloons, posters and speeches the teachers who, we thought, gave us too much homework but whom we adored just the same; the dances and dates we had and many more memories will be ours. Our lives have been made much richer through the guidance and opportunity given to us here. We will always be proud to say "I'm a graduate of Fostoria High School."

MOTTO

WE BUILD THE LADDER BY WHICH WE CLIMB

COLORS

NAVY BLUE AND WHITE

FLOWER

RED ROSE

We build the ladder by which we climb
To horizons unforecast.
Let us capture all of life
That life's precious moments hold.

Linger not, fear not, look to the future
Which lies ahead.
This life is but a stepping stone
To a life better yet.

Let us take our successes as they come,
And our failures in our stride.
Be proud, stand up tall,
But possess not false pride,
For we build the ladder by which we climb.

As juniors at FHS your class has well established itself in many ways this past year—the wonderful prom you gave for the seniors, the class play on which you worked so many long hours, the one-acts, in which you took second place, the good leaders that your class has had, and the hard working followers also—all have helped to contribute to your prestige. Your senior year will go much faster than you expect—have fun, but work hard at fulfilling the many responsibilities that will be yours as seniors. May your success continue throughout your high-school career.

The image shows an open book titled "GUIDE TO THE WORLD'S". The left page displays a map of Europe and Asia with a legend box containing three items: "THE EARLIEST EVIDENCE OF ANCESTRAL PATHS", "EXTENDING TO THE NORTH IN ENGLAND", and "ROUTES OF EXPLORATION". The right page features a map of the Middle East and Central Asia, with a label "MONGOL HOMELAND" pointing to a specific region and another label "MONGOLS" below it. Below the maps, there are several columns of text, likely providing historical or geographical context. The book is resting on a dark surface.

Success in their high school career is the goal that the Class of 1957 is striving to obtain. Already the students have accepted this challenge and are going forward with ambition and enthusiasm. They have shown their ability for future leadership by participating in student council affairs.

The freshman year offers the students the privilege to attend both junior high and senior high activities. They are choosing subjects which pertain to their plans for future vocations. The FOHIRAB and the Class of '54 extend their best wishes for your high school career.

It seems the day will never come when you will be able to go to the dances after the games, to attend the big assemblies, and to sit in the senior study hall. You impatiently wait for the day when you will be a member of senior high—time passes quickly and sooner than you realize, you will be "upper classmen". So enjoy your years in junior high. Build a solid foundation for the years to come. Prepare yourselves well for the busy life that will be yours. Good luck to you from the class of '54.

SPORTS

When the One Great Scorer
Comes to write against your name;
He writes not that you won or lost,
But how you played the game.

Anonymous

Along with a well balanced academic curriculum comes the desire for keen competition which can only be satisfied through sports.

Fostoria High has long had athletic teams in football, basketball, wrestling, and track. The basic function of these sports is to develop the physical bodies of the participants. Athletics in our school, however, serve a far greater purpose than just physical development. Spirit, and sportsman-like conduct have always been impressed upon the contestants.

It is well that we recognize the determination that our football team showed this year. Although they were literally crippled by injuries, they kept their school spirit and gave their best in every game. This spirit must have been contagious for it was picked up by the basketball squad and was carried on through the wrestling and the track season.

We might well be proud of our athletics for the way they participated and the honor they brought to our school.

TOURNAMENT

Fostoria won second and fourth in its respective classes, placing seventh among sixteen teams.

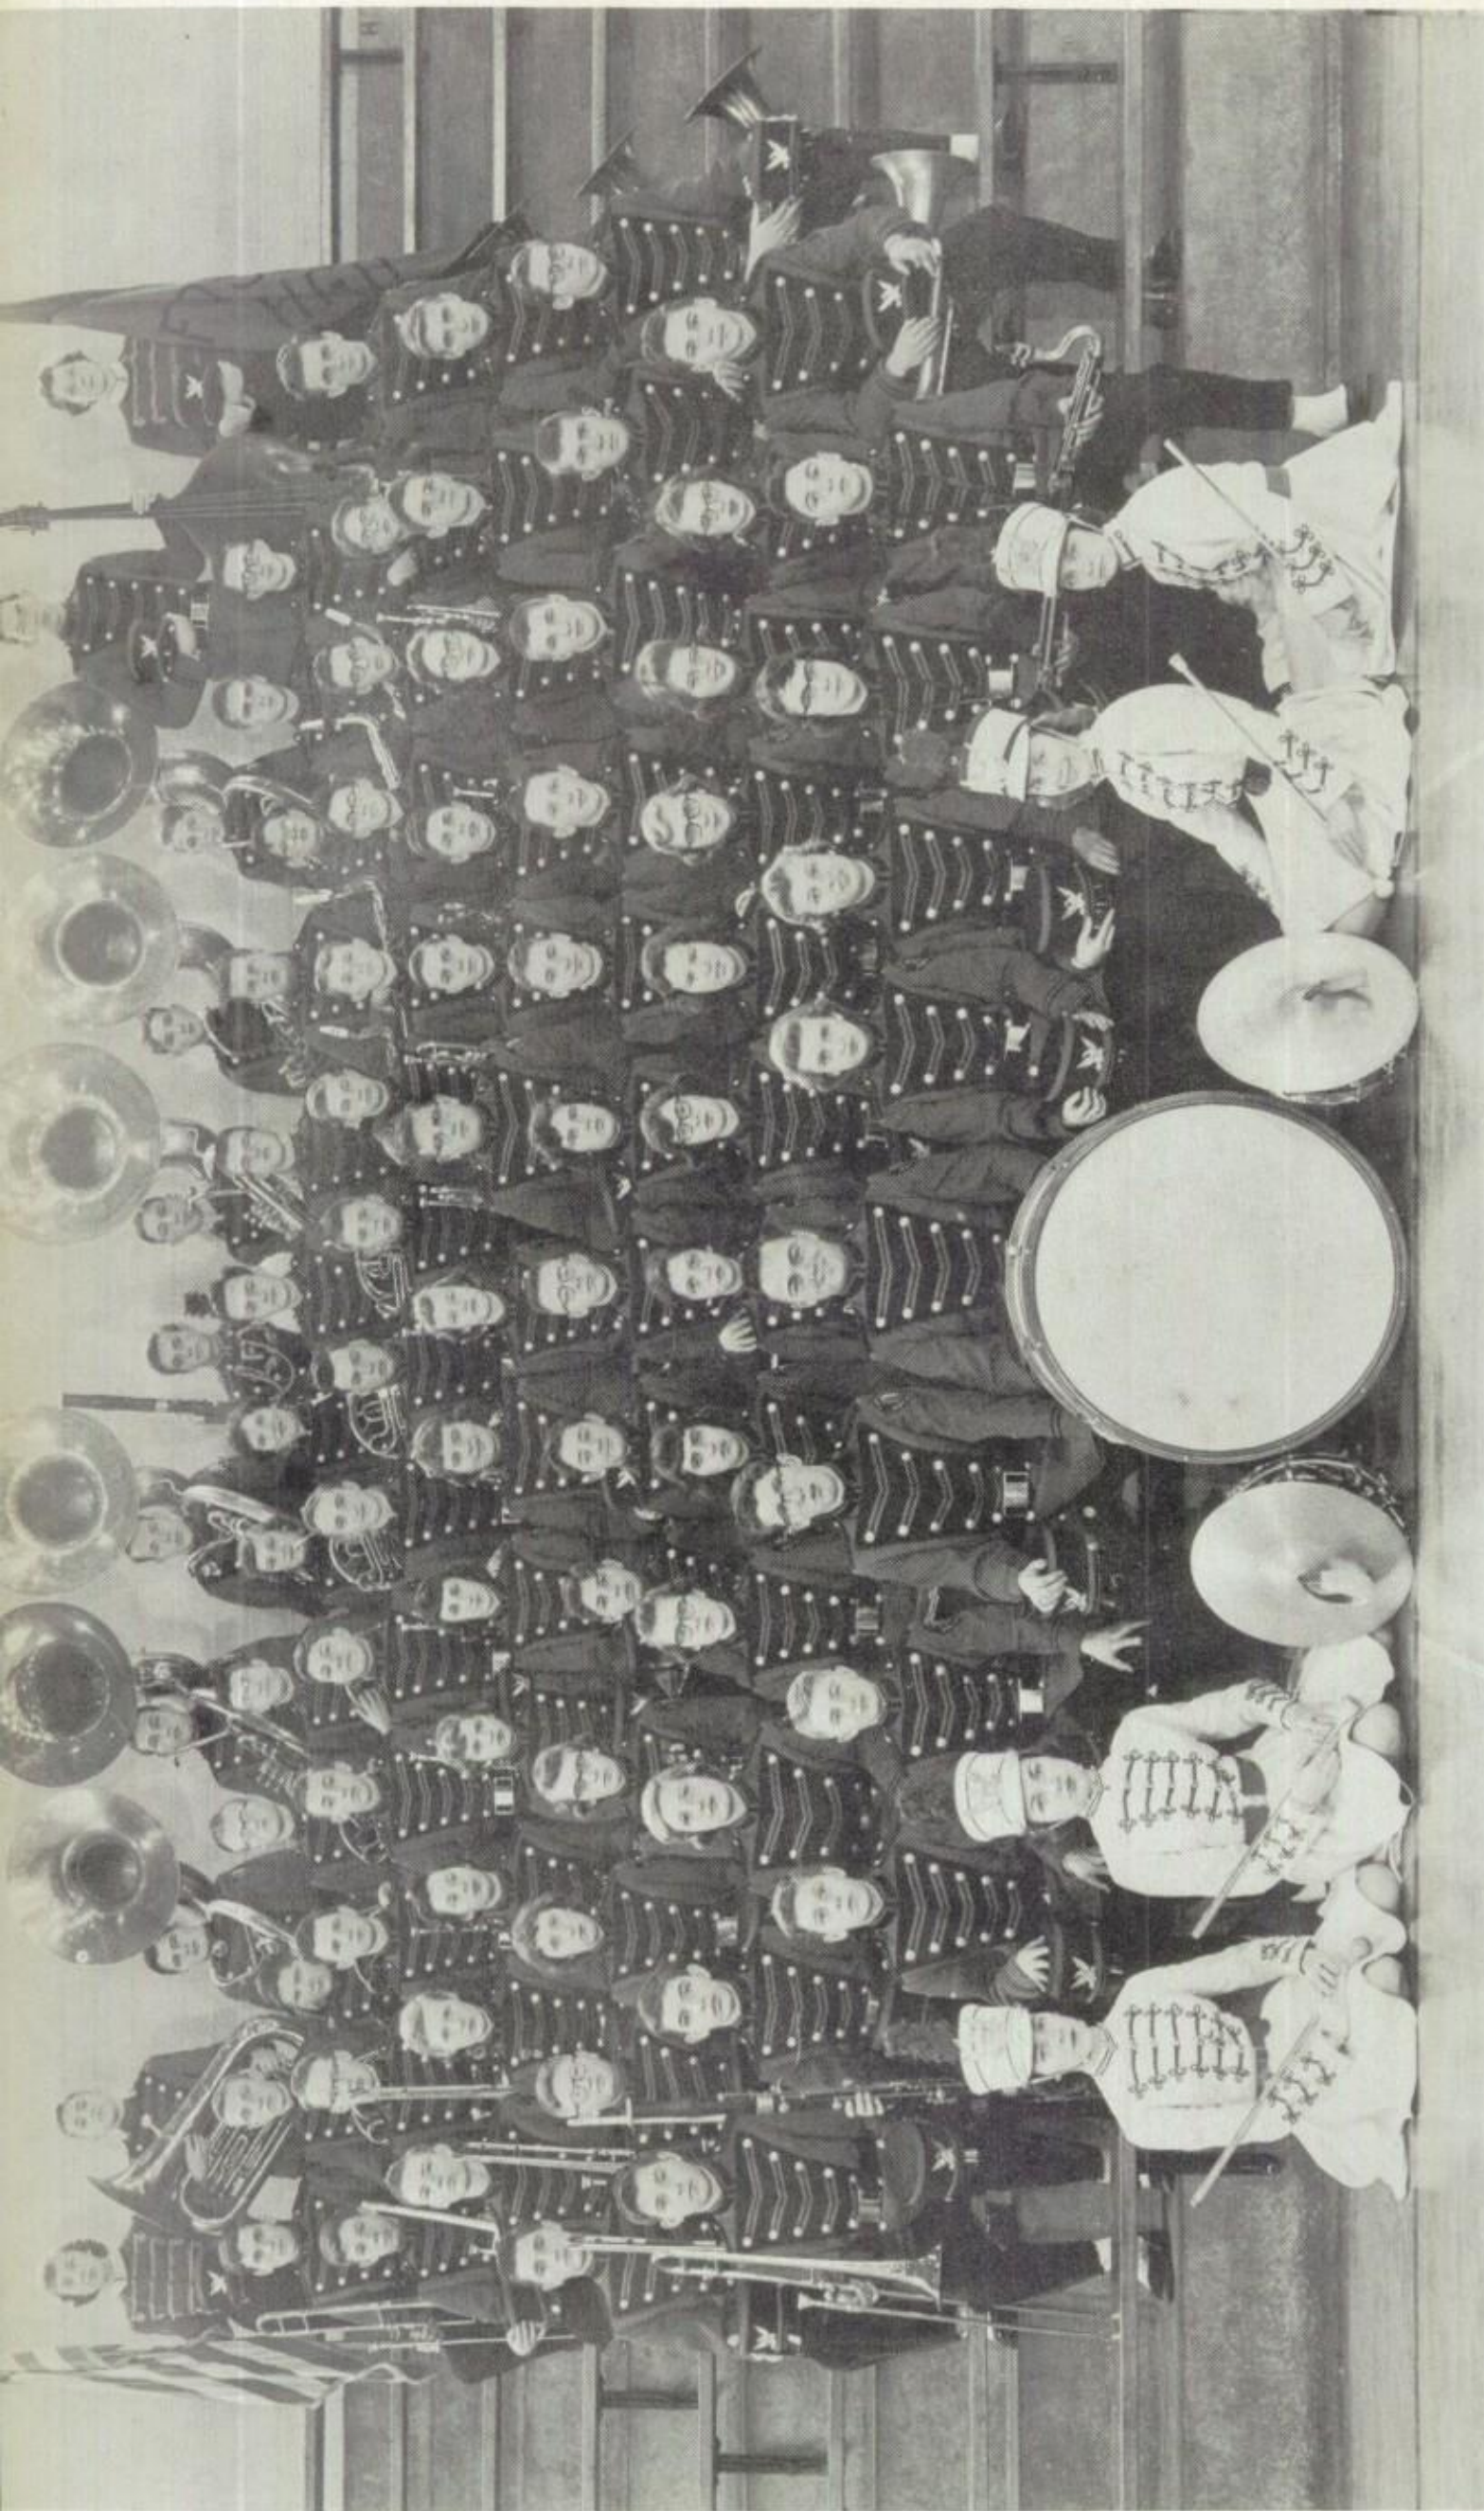

Fostoria has gone forward in many fields of music. From the very beginning FHS has excelled in both instrumental and vocal music. This past year has been no exception, for Mr. Downs and Miss Slotterbeck have produced some of the finest instrumental organizations. The marching band, concert band, and orchestra are a tribute to the school. Mr. Middleton and his vocal organizations have been active in school and civic affairs. This has been truly a successful year in the field of music at Fostoria High School.

Dramatics is another important part of our school life at FHS. The plays presented on the familiar stage in the auditorium have been enthusiastically received by their audiences during the past year. Many people are responsible for the success of each production. Our dramatics director, David Thompson, is the "guiding light" for the casts and crews who work many long hours preparing for "the big night". Mr. Thompson has helped to further dramatics in the years he has been here; not only in developing the actors but in making the technical work of the stage the best it has ever been.

While the productions provide entertainment for the audiences, perhaps the plays are most important to the students who work so hard to make their play a success. No one knows the feeling of satisfaction of a job well done as do these people after the final curtain is pulled.

The dramatics department is one of which our students can well be proud.

ALL-SCHOOL PLAY

DIRECTOR

David Thompson

"Five Traveling Men", the amusing story of an old, unwanted lady who became the principal member of a poker game and eventually influenced the actions of the whole McNally family, was chosen for the all-school play. A well-chosen cast and good directors made the play a great success.

STUDENT DIRECTOR

Peggy Anne Merrell

On May 21th, the Senior Class presented the play "Magnificent Obsession", under the direction of Mr. Thompson with the help of Peggy Anne Merrell, student director. The story, which is of a woman who wants revenge on the man responsible for her husband's death, has a surprise ending. The play, with a well chosen cast and hard working crews was a great success for the seniors.

JUNIOR CLASS PLAY

STUDENT DIRECTOR

Martha Davis

The Junior Class worked especially hard this year to produce an outstanding play, "The Little Dog Laughed."

Laurie Huntington, home from college, causes a completely upsetting and funny mix-up in her family by psycho-analyzing her parents and friends. The whole plot made an amusing and long to be remembered play.

Clubs and extra-curricular activities make up an important part of every student's busy life while he is at FHS. Each organization strives to teach cooperation and dependability, and to develop leadership. Their goal is to make better leaders and citizens of each member.

There is a club for every interest—teaching, or industry, dramatics or art. Each student may find an activity to further train him for whatever he plans to do in later life. Every club has a purpose. Its leaders and members are to be congratulated for fulfilling these purposes.

Progress and development of the community is emphasized by the business district of Fostoria. The merchants of Fostoria are always striving to aid the consumer. As a tribute to our advertisers, the FOHIRAB presents this section of the book.

The progress of our town is founded on one word—cooperation. Through cooperation people seek to learn and to understand many things. This idea is being followed by the merchants of Fostoria by the use of advertising in our annual.

The FOHIRAB and the Class of 1954 would like to express their appreciation to the advertisers for their contribution to the annual.

Congratulations, Graduates!

"Have you started your Life Insurance Program yet? I hope you'll be smart and see my Dad about the new "Plan W" policy. I'm number "one" owner, you know, and I'm so happy about the many benefits this policy contains. So, take a tip from your friend, Larry B. Luckey, and phone 7788 for your "Plan W" Life Insurance Policy."
